RE: Sponsorship Opportunity – Carcross Christmas Community Market 2018

Dear Partner,

On **December 2nd, 2018**, Carcross will host its 3rd **Christmas Community Market**.

The 2017 edition had been a real success with more than 50 vendors, an estimated attendance of 400 people and \$1,900.00 raised for a Citizen in need.

We will run a fundraiser for another Citizen in need this year again.

More important than numbers, the event was a true Community event, gathering families from Carcross/Tagish but also from the entire neighborhood as far as Whitehorse.

Encouraged by this success, we have the desire to organize a 2018 Christmas Market at least as great as the 2017 edition was, and it could not happen without your support.

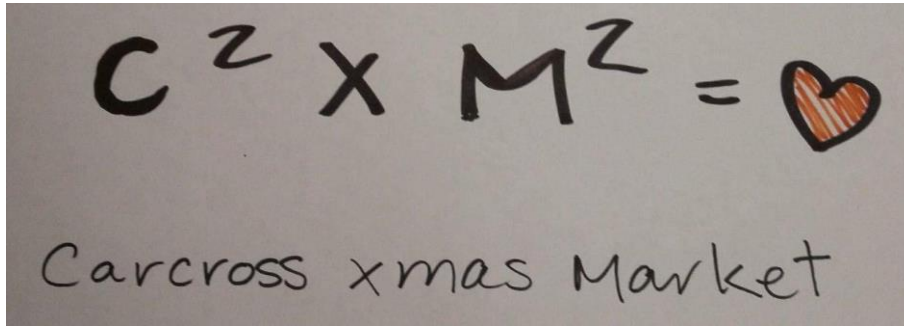

This year, our goal is to reach \$6,000.00 sponsorship to allow us to pay all the local artists that will entertain the day.

Please find attach the sponsorship program. You would be recognized on our marketing and we would offer you visibility during the event.

Note that the deadline to send back your contribution is October 31st, 2018.

We are hopeful to partner with you to make the Carcross Community Christmas Market 2018 memorable!

Nelson Lepine,
CEO
